Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicants respectfully request the Examiner return an initialed copy of the enclosed Form PTO-1449 to Applicants with the next Office communication to indicate that the references have been considered, per MPEP § 609.

This Information Disclosure Statement is being filed more than three months after the U.S. filing date AND after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Rejection or Notice of Allowance.

I hereby certify that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. 37 CFR 1.97(e)(1).

The references were cited in an European Search Report, dated June 28, 2006, in a corresponding foreign application. U.S. Patent 6,089,181 corresponds to JP 10-

041281, which also has an English abstract. Applicants rely upon both of these resources for a statement of relevance of the Japanese reference. U.S. 4,808,258 was cited by the Examiner on Form 892 attachment to the Office Action mailed on August 9, 2004. Accordingly, while cited in the European Search Report, the reference is not listed on the attached PTO-1449 form.

Respectfully Submitted,
